Introduction

This introduction is not part of the Animal Products Waiver, but is intended to indicate its general effect.

Purpose

In this Waiver, the Director Regulatory Systems & Support, under delegated authority from the Director-General, is exercising the power under the following empowering provisions to waive certain fees, charges and levies:

- regulation 9 of the [Animal Products \(Fees, Charges, and Levies\) Regulations 2007](#); and
- regulation 15 of the [Animal Products \(Dairy Industry Fees, Charges, and Levies\) Regulations 2015](#).

Background

Annual levy for dual operator butchers

This Waiver provides for a full waiver of the annual levy for dual operator butchers payable under the Animal Products (Fees, Charges, and Levies) Regulations 2007.

The waiver for dual operator butchers ensures that they are not charged the annual levy until the levy regime for this sector is fully implemented.

Levy payable by operators of premises that slaughter and dress farmed Leporidae

This Waiver provides for a partial waiver of the levy payable under the Animal Products (Fees, Charges, and Levies) Regulations 2007 under Schedule 2, item 1 of the regulations, by operators of premises that slaughter and dress farmed Leporidae.

The partial waiver for operators of premises that slaughter and dress farmed Leporidae ensures that these operators are charged more equitably.

Fee for the Reissue of an Official Assurance

This Waiver provides a partial waiver of the fees payable by exporters of animal material and animal products for the re-issue of an official assurance both under the Animal Products (Fees, Charges, and Levies) Regulations 2007 and the Animal Products (Dairy Industry Fees, Charges, and Levies) Regulations 2015 where the re-issue is required by an importing country; and either:

- a) the re-issue is due to requirements not previously notified under section 60 of the Animal Products Act 1999(the Act); or
- b) the re-issue is due to the non-application of the MPI authorised person's seal, signature, or date of signature; or
- c) two or more official assurances are required to be re-issued at the same time, for the same exporter, shipment and destination, and the reason for the re-issue is identical in each case.

This Waiver ensures that, in the above circumstances, exporters will pay the same amount payable for the original issue of an official assurance. The amount payable for the issue of an official assurance is substantially less than the amount payable for a re-issue of an official assurance.

Animal Products E-cert User Charges

This Waiver provides for a partial waiver of the charges payable by users of MPI's Animal Products Electronic Export Certification System, both under the Animal Products (Fees, Charges, and Levies) Regulations 2007 and the Animal Products (Dairy Industry Fees, Charges, and Levies) Regulations 2015.

The main purpose of the waiver on Animal Products E-cert charges is to avoid over-recovery.

Recognition of Person or Agency (including Laboratory)

This Waiver provides for a:

- a) Partial waiver of the fees payable by recognised persons or agencies, both under the Animal Products (Fees, Charges, and Levies) Regulations 2007 and the Animal Products (Dairy Industry Fees, Charges, and Levies) Regulations 2015 for renewals of recognition. This is to align the fees with the Food Act 2014.
- a) Full waiver of the annual recognition fee under the Animal Products (Fees, Charges and Levies) Regulations 2007, Schedule 1, Part 1, item 15, which aligns with the current practice of not charging this fee.

Levies per head where animals slaughtered and dressed

This waiver provides for a partial waiver of the export levy per head for slaughter and dressing of lambs, bobby calves, vealers, sheep, and cattle.

The Meat Industry Association (MIA) Industry Innovation Fund is derived from a portion of some levies collected under the Animal Products (Fees, Charges and Levies) Regulations 2007, made pursuant to section 166 of the Animal Products Act 1999. The MIA want to cease the Industry Innovation Fund with effect from 1 October 2023.

Who should read this Animal Products Waiver?

This Waiver should be read by:

- a) the following persons to the extent specified in Schedules 1 and 2:
 - i) dual operator butchers; and
 - ii) operators of premises that slaughter and dress farmed Leporidae; and
 - iii) exporters or processors of animal material, animal products, dairy material and dairy products; and
 - iv) Recognised persons or agencies; and
 - v) Operators of premises that slaughter and dress lambs, bobby calves, vealers, sheep and cattle for export
- b) users of Animal Products E-cert.

Why is this important?

To ensure operators, processors and exporters are aware of the fees, charges and levies they will incur.
