I've seen previous versions of the below notices and OKed them. Presumably these latest versions are the same, but I will check again:

- Fisheries (Declaration of Oaro Mataitai Reserve) Notice 2018
- Fisheries (Declaration of Tutaeputaputa Mataitai Reserve) Notice 2018
- Fisheries (Notification of Tutaeputaputa Mataitai Reserve and Tangata Tiaki/Kaitiaki) Notice 2018
- Fisheries (Declaration of Kahutara Mataitai Reserve) Notice 2018
- Fisheries (Notification of Kahutara Mataitai Reserve and Tangata Tiaki/Kaitiaki) Notice 2018
- Fisheries (Notification of Tangata Tiaki/Kaitiaki for Mangamaunu and Te Waha o te Marangai Mataitai) Amendment Notice 2018

There have been ongoing discussions about the below notice, so hopefully PCO's latest version is OK. I'll be checking that one more carefully:

- Fisheries (Notification of Oaro Mataitai Reserve and Tangata Tiaki/Kaitiaki) Notice 2018

I hope you get well soon.

I'd be keen for a wee look at the notices.

Thanks

After much discussion, PCO provided draft notices for all three mataitai last Tuesday, for me to review.

Unfortunately, I've been on sick leave, and today I'm heading to a tangihanga in Murupara, but I plan look at them first thing on Monday. Would you like to see the drafts?

Not only are there three declaration notices and three notification notices, but they have also drafted a Fisheries (Notification of Tangata Tiaki/Kaitiaki for Mangamaunu and Te Waha o Te Marangi Mataitai) Amendment Notice 2018, which removes references to the Oaro coastal mataitai.

This email is to confirm our phone conversation this afternoon.

We discussed the delay in gazetting the Kahutara, Oaro (extension) and Tutaeputuputa mataitai reserves, that Minister Nash agreed to declare in March 2018, and that the delay was due to ongoing discussions between MPI and Parliamentary Council Office regarding how to gazette the Oaro (extension) and appoint Tangata Tiaki/Kaitiaki for it.

I asked for your thoughts on gazetting Kahutara and Tutaeputuputa separately, while continuing to work on Oaro, and you agreed that this would be an appropriate course of action. I follow up on this with our Legal team.

We also canvassed the idea of changing Oaro into an entirely separate mataitai, instead of an extension, if this would speed the process of getting it gazetted. We agreed that if it looks like gazetting the Oaro (extension) is going to take too long, then I would discuss this idea with my colleagues. Potentially it would take getting the Minister's agreement.

I'll keep you updated on progress.

Nga mihi
