

# Day-Old Chicks and Hatching Eggs Transiting/Transshipping Singapore (Guidance)

POUDAETRA.SG

Effective from 1 July 2019

Guidance Document

## 1 Purpose

- (1) This guidance document has been issued to accompany *Day-Old Chicks and Hatching Eggs Transiting/Transshipping Singapore (OMAR)*. This guidance document should be read in conjunction with that OMAR.

## 2 Specific guidance for the transit/transshipment certificate

- (1) The transit/transshipment certificate is only intended for transit/transshipment as defined in the OMAR and not for the permanent export of day-old chicks and hatching eggs of poultry to Singapore.

## 3 Additional information

- (1) Singapore has advised that exporters require a licence to transit/transship day-old chicks and hatching eggs via Singapore.
- (2) A licence to import/export/transship animals, birds' eggs and biologicals can be obtained through the Agri-Food and Veterinary Authority's (AVA's) LicenceOne platform.
- (3) The required supporting documentation and associated fees are also outlined on the LicenceOne site.
- (4) To transact with the Singapore Government agencies online platform, including the use of LicenceOne, requires a 'Corppass' corporate digital identity for businesses. For more information refer to: [www.corppass.gov.sg](http://www.corppass.gov.sg).
