

Application for exemption to sell or use a prohibited trap under clause 8 of Animal Welfare (Glueboard Traps) Order 2009

Please ensure you carefully read the Animal Welfare (Glueboard Traps) Order 2009, including its Explanatory Note, before completing this application.

See <https://www.mpi.govt.nz/protection-and-response/animal-welfare/traps-and-devices/> for more information.

Name: _____

Position/job title: _____

Organisation/affiliation: _____

Address: _____

Contact telephone: _____

Contact email: _____

1. Exemption applied for: **Sale / Use** (circle one)

Note: if applying for an exemption for use, you will also need to ensure that the sale is approved if you wish to purchase prohibited traps from a supplier.

2. Please specify/circle whether this application is for approval of a specified person or a specified class of persons

(eg

- a commercial pest control operator
- a person employed to conduct pest control on food production premises
- a Department of Conservation Employee
- a boat operator transporting persons or goods to, and from, or in close proximity to mammalian pest-free islands).

3. Who or what is this person or class of persons?

a) Please provide evidence of training for each person or class of persons to be included in the approval (eg Urban Pest Management Certificate).

b) Please provide the PMANZ registration number for each person to be included in the approval where applicable.

c) Please provide the names of those working under the supervision of the trained persons listed above, and evidence of training.

d) Where glueboards are checked by a third party, such as site personnel, please provide evidence of delegation and training.

4. Are you an employee of the Ministry for Primary Industries?

5. Is your request time-bound or urgent? Please specify why and note your required deadline.

6. Please refer to clause 8(2) of the Animal Welfare (Glueboard Traps) Order 2009 and explain:

- (a) The specific purpose of the sale or use (eg monitoring, preventing incursions, managing known or suspected infestations or incursions).

- (b) Why you consider that this sale or use is in the public interest (eg reference to specific food hygiene or safety requirements or biodiversity management plan requirements, including international standards, ISO standards or retailer standards).

- (c) Whether there are any alternative control methods available and what other measures are being applied. What actions have you undertaken to investigate viable alternatives?

(d) How and where you intend to use the trap(s) (if an exemption for use application).

[illegible]
